Test drive 1
BARCELONA – FRANCE – SOLDEU

This road trip allows you to cross over three different borders; Spain, France & Andorra. This is a 3 hour round trip discovering the majestic Pyrenees summits, authentic Catalan's villages and the huge Berga reservoir. You will cross the mountain from one country to another, driving through the Cadí tunnel and having the opportunity to enjoy the beautiful landscapes from the Cadí mountain chain.
Take your time to stop in Montserrat the very first National Park in Spain, a multi-peaked mountain range located near Barcelona, well known as the site of the Benedictine abbey, Santa Maria de Montserrat, which hosts the Virgin of Montserrat sanctuary. While crossing the border from Spain to France you will enjoy the views of charming villages of the Cerdagne region. Arriving into Andorra you will drive through two mountain passes, one at 1,920 m above the sea, the Puymorens pass and Port d’Envalira, 2,408 m above the sea.

Total distance : 200 km

Test drive 2
SOLDEU – COLL D’ORDINO – LA CORTINADA – ARCALIS

A half-day road trip to discover the most hidden valleys of the Principality. Crossing the Northern Valira valley, you will drive through two mountain passes, the pass of La Coma d’Arcalís, point of reference on Tour de France stages in Andorra and the Coll d’Ordino, union between the two glacial valleys which formed Andorra. At the top of the Coll d’Ordino enjoy a 360° panoramic view of the whole country. Drive down to Ordino typical Andorran village where you can visit the museum Casa d’Areny Plandolit one of oldest and more representative houses of Andorra. The view of the architecture of the Roman churches will accompany you all the way. Taste Andorran typical gastronomy in one of the different “borda’s” restaurants you will find during your trip. This is a journey to discover the traditional side of Andorra and its incredible surroundings.

Total distance : 40 km

SUGGESTIONS:

Taste Andorran typical gastronomy in one of the many “borda’s” restaurants you will find in Ordino
Test drive 3
SOLDEU - SANT JULIA LORIA - BORDES PEGUERA - LA RABASSA

An drive into Spain, crossing the parish of Sant Julià de Lòria. Spectacular views and a final stop to access to Naturlàndia, the Pyrenean thematic ecopark. When you arrive into Sant Julià de Lòria, choose the mountain road which takes you to Aixirivall, a small village on top of the mountain where you can visit the church of Sant Pere d’Aixirivall one of the unique examples of Andorra’s baroque churches built in 1603.

You also can enjoy the forest of La Peguera with some typical Andorran houses. In the past these sorts of houses were used to stock the grain and sheep though today they are used as restaurants or Andorran families’ second residences. The itinerary finishes at Naturlàndia, the Pyrenean thematic ecopark, have fun and have a ride on the longest alpine slide in natural surroundings in the world, 5.3 km long!

Total distance : 40 km

SUGGESTIONS:

Go through the forest of La Peguera to see view some typical Andorran houses now traditional restaurants
